Dear Angelo

I wish to thank Oracle Lending Services for supporting the Summer on the Roof event last Thursday evening

The event was a great success in terms of numbers of participants and exposure for your company.

Your contribution to the event was also noted by other guests attending and we were very glad to receive extremely positive feedback about the evening in general.

It is through the support of individuals and companies such as Oracle Lending Services that the Chamber is able to continue to strengthen its networking activities and develop new and innovative projects to serve our members and SA business community.

Please feel free to contact me or the office directly if we can assist you in any way regarding business opportunities, trade information, language/translating services, or consultancy in general. I look forward to seeing you again and working with you and your company

Kind regards

Mareta Maryapodi
