

June 18 2010

Dear Angelo

On behalf of the Board and Management of the Port Adelaide Football Club I would like to convey our sincere appreciation for your ongoing dedication to the Annual "Power Goes...." event over recent years.

Since its inaugural year in 2004 the event has raised in excess of \$1.5million dollars for our Club. In addition it has become the bench mark for such events within the AFL, due largely to your contribution of time, commitment and expertise

Our Club strives to be continually innovative in all that we do and in the case of "Power Goes..." in particular it has never been more evident that we continue to succeed.

On behalf of the Port Adelaide Football Club, thank you.

Please enjoy the evening.

Sincerely

Brett Duncanson
